BRINGS LIFE TO AMUSEMENT PARKS

EVIANA
INCORPORATION
CHILDREN PARK DEVELOPER

CHILDREN PLAYING WORLD

About

Since 1999, Eviana Incorporation, Kolkata has been a company with multi dimensional activities in the field of FIBRE GLASS (PARK PLAY,FISH TANKS etc) BRANDING ,OUTDOOR ADVERTISEMENT AND EDUCATIONAL CONSULTANCY who is about more than just Park play, Branding and Education.

Eviana Incorporation provides you with the resources and research to make you a child's hero by providing a playground that builds healthy lifestyles, encourages imaginative play, and becomes a place that provides social and physical inclusion for people of all abilities on the playground.

Our mission is centered on an offering of products, programs and services to provide you with the tools you need to be a hero in your community. Our promises to you are simple: enhance classroom learning, create environmental awareness, promote physical activity, play for all abilities, and building community.

Eviana helps build stronger communities around the world by advancing play through research, education, and partnerships. Our company infuses this learning into its complete family of brands. We combine best-in-class planning and education programs with the most comprehensive array of recreation products available to create play solutions that match the unique needs of each community we serve.

History

Eviana Incorporation, Kolkata was established in 1999 with the mission of designing and manufacturing the highest quality playground products and providing more than just play.

We are having more than 14 years experience in children playground equipment marketing and manufacturing and in park development with various kinds of Fibre glass products such as Paddle Boats, Speed Boats, Water Scooter, and Fish Tanks. We strongly believe that we are more involved in the recreation of the social environment as an expert.

Green Building Commitment

Eviana Incorporation, Kolkata believes in sustainability and is committed to taking the necessary steps to ensure our children have a safe environment for play.

About Our Product

Learn more about the materials that Eviana uses to manufacture the playground products.

We are one of the leading and largest manufacturers in the Eastern India of children playground equipments and our product ranges are from a single Swing or Sea Saw to the complete park with various large Multi play combination systems for the play and amusements for more than two hundreds children's at a time.

We recognize that all our customers are individuals with their own requirements, from a small nursery school to a large children park developer or a government society service authority such as Municipality, Zilla Parishad etc. To ensure that all your needs are met, we strive hard to make new designs and innovations to our range of products and also emphasize on the green and fantasy revolutions to fight TV/VIDEO GAMES onslaught children's mind and creative ideas.
